FOREWORD

We, the Canton South Annual Staff, present the 1953 edition of the "Moderian." This is the sixteenth edition of school life at Canton South. The first was printed in 1938. We truly hope you will be pleased with the contents of this year's book.

For years to come, we hope this book will help you to bring back pleasant and cherished memories of your happy days at C. S. H. S.

MODERIAN 1953

To Canton South High School,
We pledge unfailing loyalty;
We will make success our rule,
And bring to you the victory.
Though the way be hard and long,
Yet in our hearts we'll sing this song;
As we travel on our way
We'll always love thee, Red and Gray.

DEDICATION

To the memory of Robert Gauze, we dedicate this, the 1953 edition of the Canton South Year Book, Moderian. Maintaining a constant interest in outdoor life, he was a member of the Ohio National Guard, receiving basic training at Camp Carson, Colorado, later serving for more than a year with the United States Forces in Korea. As a graduate of Canton South in the Class of '49, he will be remembered as one who was well liked, and as a quiet and sincere friend of those who knew him.

CLASS HISTORY

It seems like only yesterday we entered Canton South as frightened, troublesome seventh graders. Miss Mayer and Mr. Werstler were our first class sponsors and Jim Filliez was our first class president. Our big project was the paper drive, and we ended our first year at Canton South with a class party.

We advanced into the eighth grade still uncertain of what was going on. Our president was Tom Daily and Miss Anderson and Mr. Allen were our sponsors. We had shadow-cutting in the Senior Carnival to build up our treasury. Our class party was the big event of the year. It seems that the girls never can beat the boys in baseball.

At last we were full-fledged freshmen. John Matz was our president and Miss Anderson and Mr. Kiplinger helped make our year successful. We collected tax stamps to raise money. To wind up the year we had our class party.

Our sophomore year began with Barbara Ferren as our president and Miss Seanor and Mr. Kiplinger as our very able class sponsors. Our big money-making project was our skating parties. We had a paper drive, collected tax stamps, sold balloons and tape, and collected class dues to help build up our treasury. Our big thrill was ordering our class rings. We had our class party at New Philadelphia.

At last we are "Big Time Juniors." Barbara Ferren was our president once again and we still had our very able sponsors, Miss Seanor and Mr. Kiplinger. Since our Junior-Senior Prom wasn't far away, we had to work very hard to make it successful. We collected tax stamps and class dues, had another paper drive, sold autograph books, and had our famous wrestling show in the Senior Carnival. "Men Are Like Street Cars" was our Junior Class Play, and quite successful at that. Our Junior-Senior banquet was held at the First Presbyterian Church. Martin Alexander played Hawaiian music to carry out our theme. At last it was time for the Junior-Senior Prom. We danced to the music of Phil Mason in the ballroom of the Onesto Hotel. Our theme was "Rhapsody in Blue." Our last event of the year was our class party at Lake O' Springs.

And now our senior year with all of its thrills and excitement. Jerry Haney was our class president. Miss Seanor, who was a great help to us during most of our high school days, and Mr. Goerke were our sponsors. The magazine sale was our big project. The boys and girls had a contest to see who could sell the most magazines, and the girls won. The boys treated us to a weiner roast. Too bad it had to snow, but thanks anyway, boys. We collected stamps, paid class dues, and sold soap kittens to raise money. Our Class Play, "Mother Is a Freshman," went over big. We chose our class colors, had our class pictures taken, Rita Lesh wrote the words to our song, chose our class flower, and ordered our invitations. The Prom which we received from the juniors was swell . . . thanks! Finally Baccalaureate and Commencement. After six wonderful years at Canton South we knew it had to end, but we know for sure we will always remember Canton South.

SENIOR CLASS PLAY

On November 22, 1952, the Senior Class presented its annual Class Play. This year's play, "Mother Is a Freshman," a comedy by Raphael David Blau, succeeded in being one of the best class plays seen here at this school. Starring in the leading roles were Mary Lou Irey as Mrs. Abigail Abbott, the mother; Barbara Ferren as Susan, her daughter; Grant McFarland as Professor Michaels; and Bob Sherry as Dean Gillingham. The play was directed by Miss Skriletz.

JUNIOR-SENIOR PROM

The Junior-Senior Prom was held May 17, 1952, at the Onesto Hotel. This was the first year the prom was ever held away from the school. We chose "Rhapsody in Blue" as our theme. The main event of the evening was the crowning of our queen, Pat Zuber, and king, Jerry Haney, with the orchestra furnishing background music of "Rhapsody in Blue." The court attending the king and queen were Shirley Castanien, Barbara Ferren, Shirley Haines, and Rita Lesh, with their escorts: Jim Coffy, Dale Meek, Glen Richardson, and Leroy Terrett.

NATIONAL HONOR SOCIETY

Scholarship, Leadership, Character, and Service are the four principles on which the new members are chosen. This year there were ten members carried over from last year, and at the induction service on March 4, two Seniors and twelve Juniors were initiated to represent the Honor Society for the coming year. Each student must meet the qualifications of the four principles before he is considered for membership. The goal is high, but by following the motto, "Truth Is Light," it can be achieved.

ANNUAL STAFF

This year, for the first time, underclassmen were admitted as members of the Annual Staff. In addition to the thirteen senior members, there were also ten juniors, four sophomores, and three freshmen. The entire membership took an active part in one way or another, either helping in the production or distribution of the book. It was almost a daily occurrence to find several members gathered in the panel room, mounting pictures, setting up copy, making write-ups, setting up ads, or doing any one of various and sundry duties connected with the yearbook publication.

Under the capable leadership of Mary Lou Irey and Barbara Ferren, co-editors, the group worked towards the goal of a larger, better book, with a variety of pictures, depicting various phases of school life on the campus, on the athletic field, and in the classrooms.

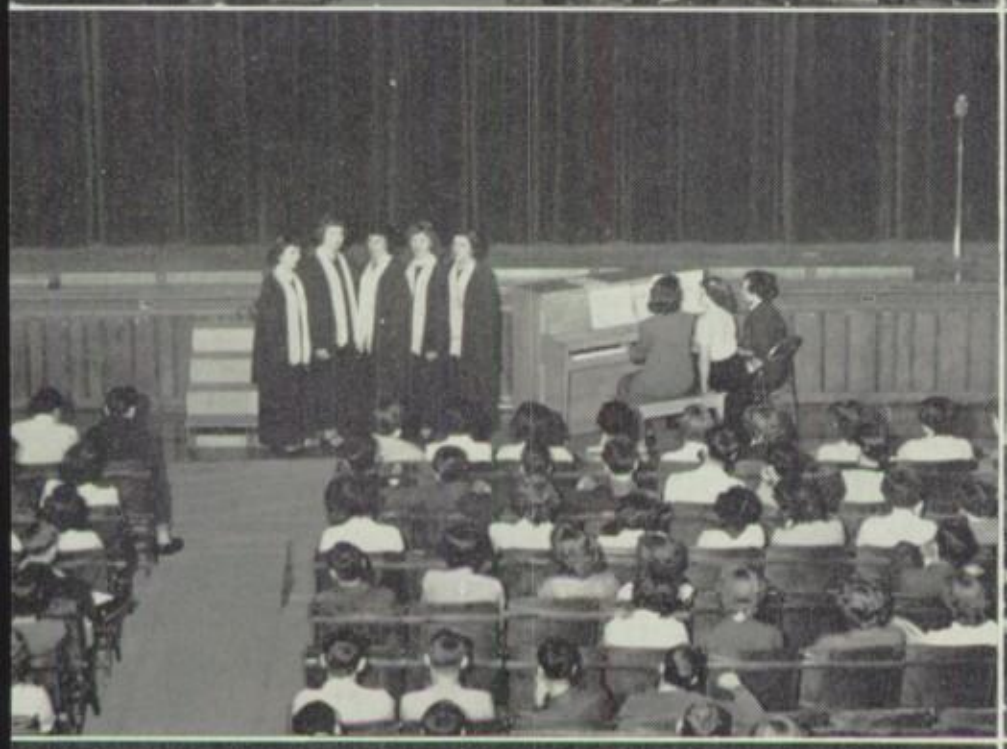
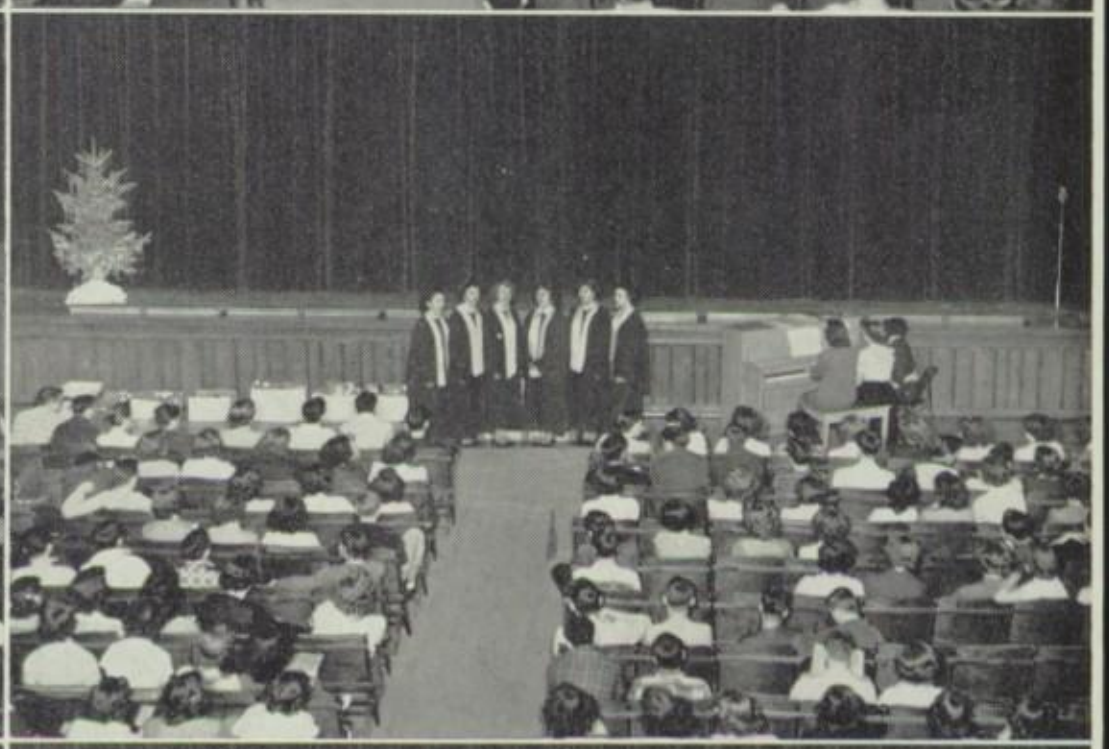
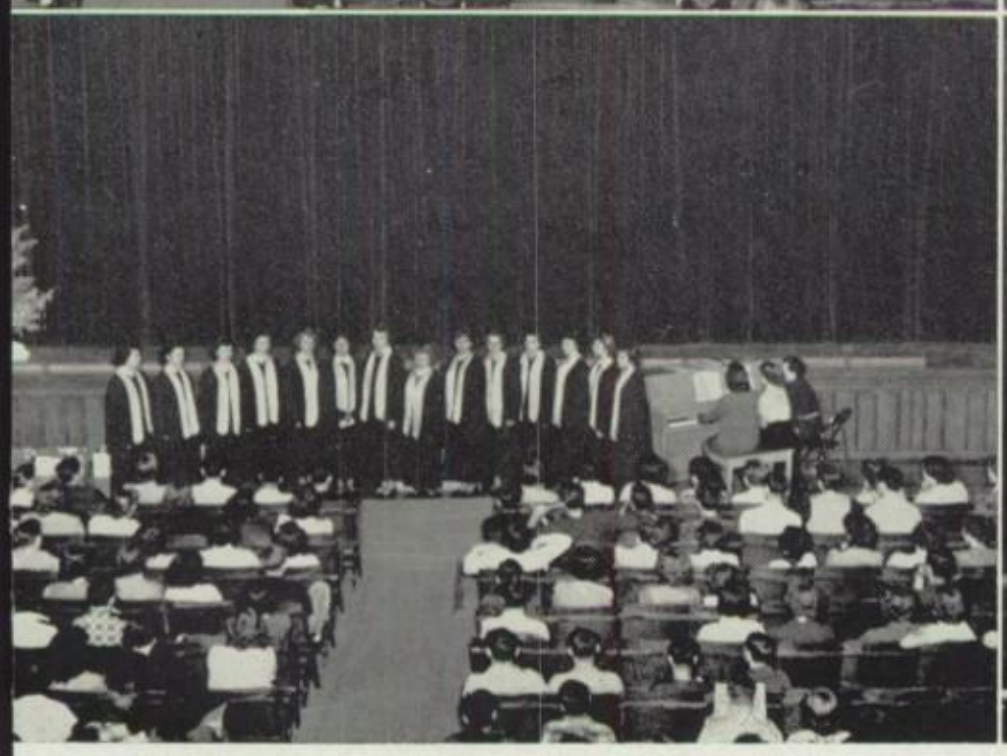
ACCOMPANIST

ROSE MARIE BRIESE

Accompanist for Eighth Grade Chorus







The scenes above depict the beauty and color shown in the Christmas program, under the direction of Miss Myerholtz. Included were The Christmas Story in song, and the carols.

This rendition was one which will long be remembered, both for the quality of singing and for the brilliance displayed in the costumes and setting.

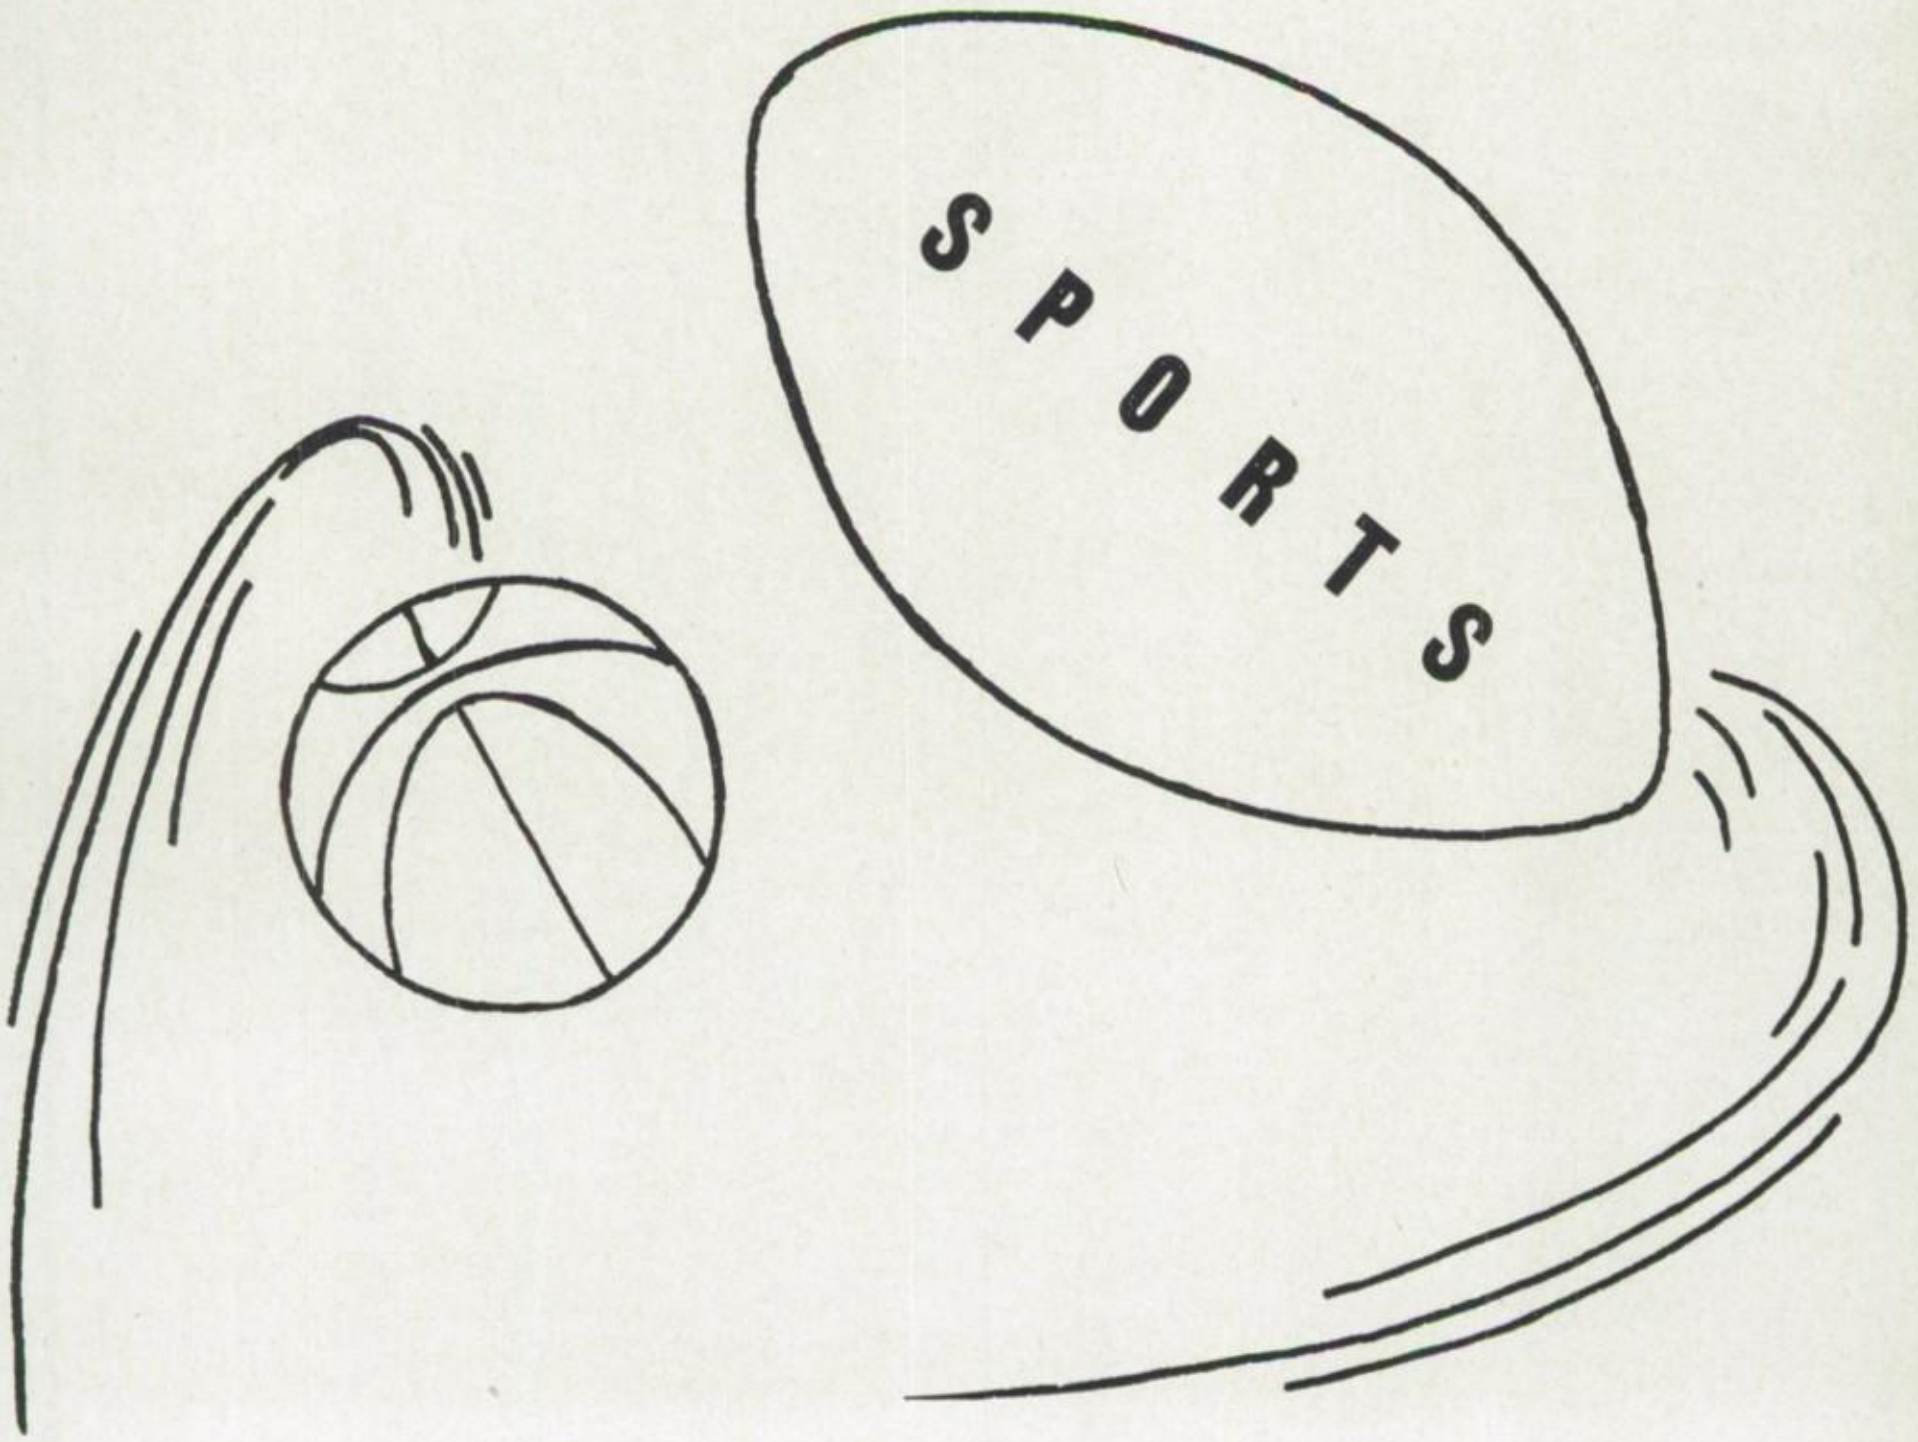
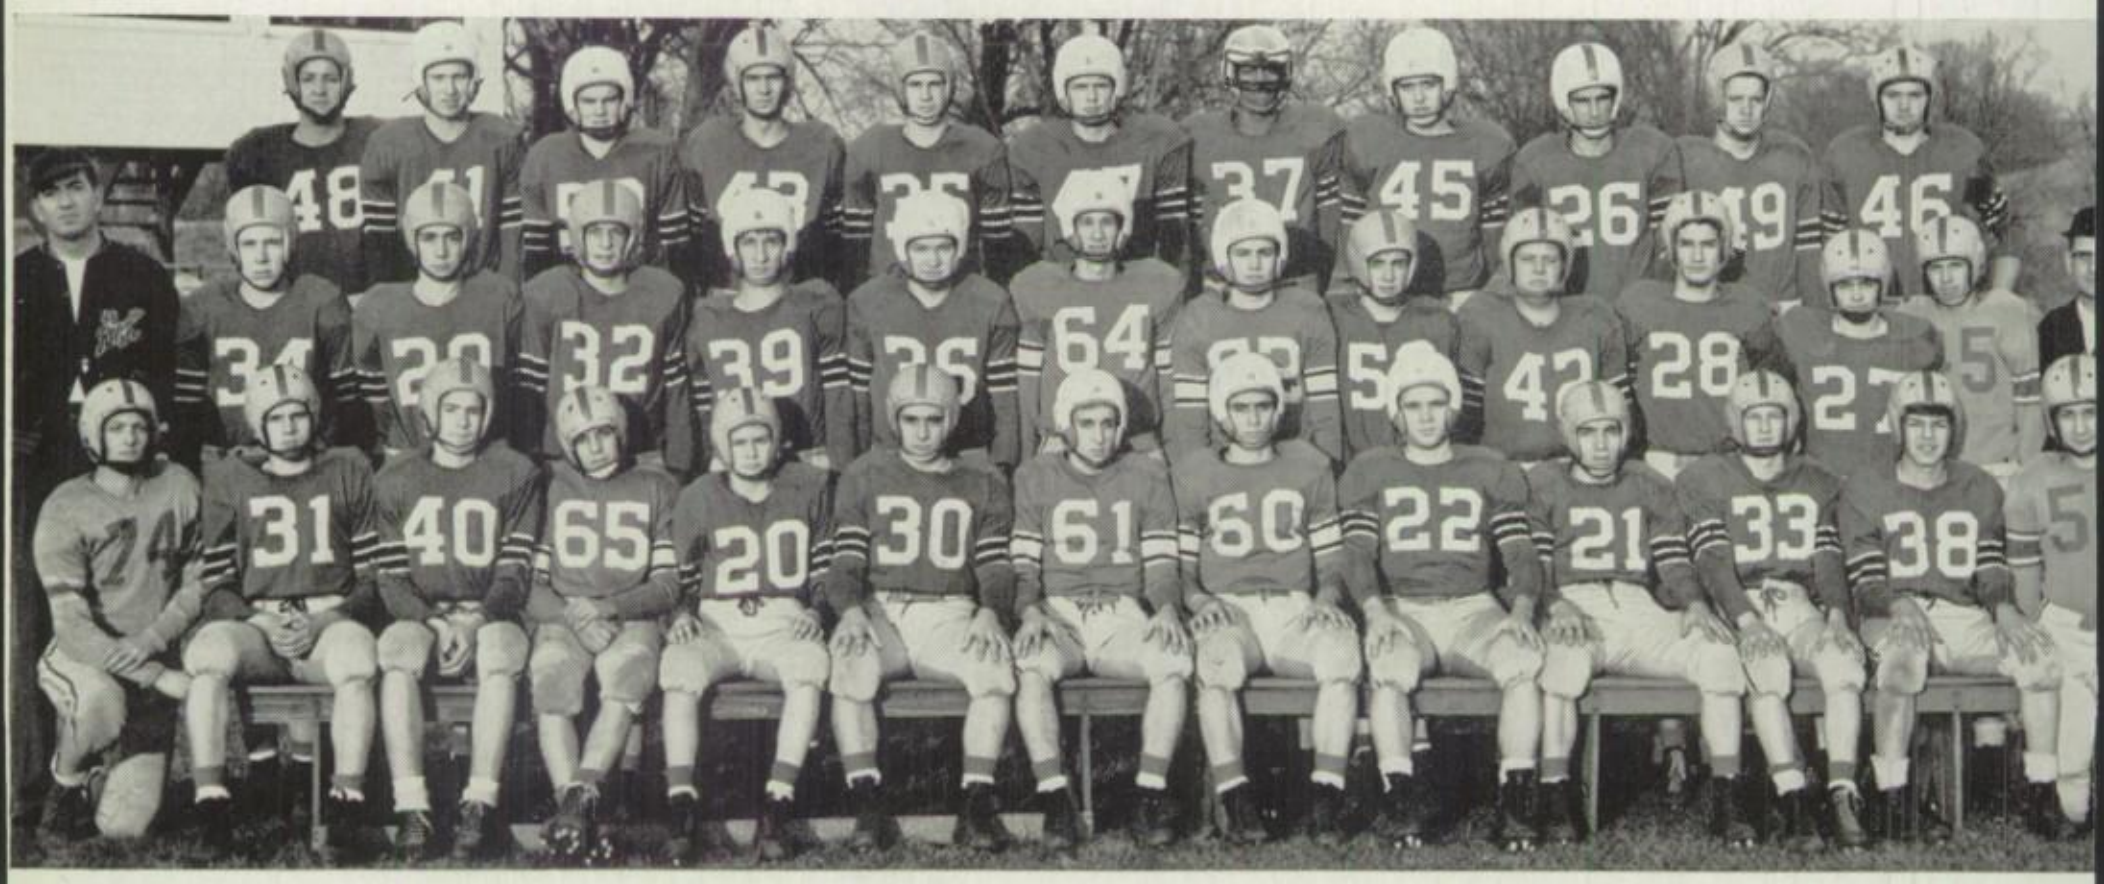
TAYLOR SOUTH

SPORTS



FOOTBALL

Coach Ash says that this year's football schedule was the toughest ever played by a Canton South team. It indicated that we could compete against major Class A high schools, since we performed so well against Lincoln. This was a building year for South and as a result we have twelve lettermen returning. The only two regulars from last year were the co-captains, Cush and Baroni, but the team did very well considering their lack of experience.



ROW 1: W. Moorehead, B. Woodlock, D. Harris, R. Changet, R. McConnel, M. Long, S. Changet, F. Cush, D. Snider, L. Ferrell, D. Reynolds, R. Baker, B. Stahler.

ROW 2: Coach Ash, G. Crowe, F. Filliez, R. Neff, D. Dancy, R. Poole, J. Ecrement, D. Madden, F. Gardiner, D. Walters, C. Zucal, J. Duffy, B. Bolon, Mr. Welker, asst. coach.

ROW 3: C. West, G. McFarland, G. Brown, J. Bardine, D. Sheffer, B. Chaney, W. Hall, G. Walters, R. Baroni, L. Gerzina, B. Devault.

Adding to this year's team was the return of Jack Ecrement. Coach Ash says that he is one of the finest gentlemen he has ever coached and he was a splendid influence on the team. This year's team had a wonderful spirit and won 9 out of its last 10 games. All but one of the first five will be returning next year, so next year's team holds a lot of promise to Coach Ash. In addition, Ed White, a former letterman, has returned to South.

This year the Gray team came out on top, 35-27, but the Reds are planning to even up the score in years to come, as we hope that this will become an annual event for our sports-loving girls.

These are American newspapers!

THE foreign language newspapers you see here are as American as the funny papers. Yet these papers are published in languages that look very strange to most of us. They are just a few of the many hundreds of foreign language newspapers published in America. The publishers of these papers have the same freedom to express their views and support their interests that English language newspaper publishers have.

The right to publish what we please, and in any language we please, is one of the freedoms guaranteed to us by our Constitution along with the right to secret ballot, freedom of worship and many others.

In some countries these rights are being wiped out because they stand in the way of a totalitarian state. There, free-speaking newspapers have been replaced by state-owned propaganda machines. Religion has been suppressed. History re-written to glorify the state. There are those in this country who would like to re-write our Constitution so that it would wipe out our rights, too. The only way we can prevent this is to stand up for our rights whenever we see them threatened.

Remember, they're your rights, so treat them right!

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

Freedom of worship
Right to secret ballot
**Right to know how your union spends your dues*
Freedom of speech
Freedom of the press
Right to criticize officials
**Right to know salaries of your union officials*
Freedom from search without warrant
Right to petition government for redress of grievances
**Right to know if your union officers are Communists*
**Right to know how your union is run*
Right to speedy and public trial by jury
Right to help of a lawyer
**Right to hear your employer's side of disagreements*
Right not to appear as a witness against yourself
**Right to refuse to permit the "check-off" of union dues*
**Right to go direct to your boss with a grievance*
Right to be presumed innocent until proved guilty
Freedom to own property
**Right to work despite union jurisdictional disputes*
Freedom to work in any locality
**Right to proper supervision of your union welfare funds*
Freedom to start and manage a business
Freedom to make a profit
**Right not to be fired by union leaders*

*These are rights you enjoy under the Taft-Hartley law.

THEY'RE YOUR RIGHTS,
TREAT THEM RIGHT!

IN CONGRESS. JULY 4. 1776.

The unanimous Declaration ... States of America.

Why did they sign the Declaration of Independence?

Were our forefathers just another group of radicals trying to create a government for their own gain? Or were they earnestly striving to establish a democracy of the people, by the people and for the people? The value and foresight of their words, as written in the Declaration of Independence, has been proved by the rapid progress and growth of American Democracy. What was written over 175 years ago still holds good. "—that all men are created equal, that they are endowed by their Creator with certain inalienable Rights, that among these are Life, Liberty and the pursuit of happiness."

Let's stick to it.
